

Margaret

(Duple Minor, Four Steps per Measure, ABB)

Victor Skowronski

Ronde VI
Tielman Susato

A

- 1: All set to partner.
- 2: All pass partner by right shoulder.
- 3-4: All fall back a double with neighbor and come forward.
- 5: All set to partner.
- 6: All pass partner by the right shoulder to return to original place.
- 7-8: All turn partner two hands.

B1

- 1-2: All do two changes of rights and lefts, starting with partner.
- 3-4: All turn partner two hands.

B2

- 1-2: All do two changes of rights and lefts.
- 3-4: First corners change places, passing right shoulders, and turn single into progressed place. The second corners cast into progressed place with a cast wide enough to avoid interfering with the first corners. *This figure is a variation on the chevron figure of Fried Hermann. The first corners should remain facing their partners while changing places, thus passing back to back with corner.*
