

ALEKSANDRA GÓRECKA

As Much as Is Enough

and what if there's an infinite number of us in this moment
and an infinite number of us in every other moment

and something between the lines

right here

when one of us isn't looking

this is the very point

in the tailor's surface model

where the zip can't go any further

From *Reguła Trzech* [Polish, *The Rule of Three*], Biuro Literackie/Kołobrzeg, 2024
Translated from the Polish by [Nasim Łuczaj](#)
